

University of South Florida (1995–2003). Louis de la Parte Florida Mental Health Institute, Department of Child and Family Studies. Tampa, Florida.

– **Faculty Title: Assistant in Research (1995–2003).**

One of the characteristics of the Institute is its multidisciplinary approach to research, which requires the creation of work teams based on the research topic, and the expertise of its faculty. As such, faculty roles vary from project to project.

Worked as **Principal Investigator, Co-Principal Investigator, Project Director, Program Director, Evaluation Director, Evaluation Coordinator, Evaluator** and **Researcher** in 25 research and evaluation projects ranging from national initiatives funded by the Federal government and private foundations to local efforts funded by local government. All projects required team work, multidisciplinary approaches, community engagement, and the application of multiple research and evaluation methodologies.

– **Evaluation Coordinator**
